

Are you looking for employment in the Welding & Fabrication Industry?

ATEC - Adelaide Training & Employment Centre is offering
an Apprenticeship Access Program to kick start your career!

Eligible participants should:

- Be aged 15 years or older (conditions apply).
- Be registered as a Jobseeker and meet the eligibility criteria.

Course Outline:

- A 4 week program that includes practical skills in Welding, Fabrication and Life Skills in addition to some theory.
- Includes basic skills in Mig, Oxy and Arc Welding.
- Work experience may be undertaken and successful participation and completion of training could lead to an apprenticeship or employment in a number of local workplaces.
- 'After Program Support' of between 13 and 26 weeks is offered (conditions apply) and participants will receive assistance in identifying employment opportunities.

Courses commencing at our Lonsdale site on Monday 9th January and 7th May 2012.

So if you are motivated, committed, willing to work
and would like more information...

Please call Anne at Lonsdale

on 1300 112 832

The Australian Apprenticeship Access Program is Funded by the Australian Government.
